Information About Your Account

How We Calculate Interest. We calculate it separately for each balance shown in the Interest Charge Calculation table. We use the **daily balance method (including current transactions)** if the Balance Subject to Interest Rate is followed by (D). We figure the interest charge by multiplying the daily balance by its daily periodic rate each day in the billing period. To get a daily balance, we take the balance at the end of the previous day, add the interest on the previous day's balance and new charges, subtract new credits or payments, and make adjustments. The Balance Subject to Interest Rate is the average of the daily balances. We use the **average daily balance method (including current transactions)** if the Balance Subject to Interest Rate is followed by (A). To get an average daily balance, we take the balance at the end of the previous day, add new charges, subtract new credits or payments, and make adjustments. We add all the daily balances and divide by the number of days in the billing period. We figure the interest charge by multiplying the average daily balance by the monthly periodic rate, or by the daily periodic rate and by the number of days in the billing period, as applicable.

How to Avoid Paying Interest on Purchases. Your due date is at least 23 days after the close of each billing cycle. We will not charge you interest on purchases if you pay your monthly Citi Flex Plan Payment Amount (if any) plus your New Balance, excluding any Citi Flex Plan balances, by the due date each month. If you do not pay your monthly Citi Flex Plan Payment Amount plus your New Balance, excluding any Citi Flex Plan balances, by the due date each month, you will pay interest on your purchases from the date they're posted to your account until you pay such amount in full for two billing periods in a row. We will begin charging interest on cash advances and balance transfers on the transaction date. We will begin charging interest on a Citi Flex Plan balance at the start of the billing cycle following the billing cycle during which you created the Citi Flex Plan.

Your Rights

What To Do If You Think You Find A Mistake on Your Statement. If you think there is an error on your statement, write to us at the address for Billing Inquiries and Customer Service shown on Page 1 of your statement. In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases. If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)

Member Since 2023. Account number ending in: 2432

2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.

3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at the address for Billing Inquiries and Customer Service shown on Page 1 of your statement.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

The cutoff time for payments made via Citi ATM, where available, is 10:30 pm Eastern time. For payments at a Citi branch, where available, the cutoff time is the close of business at the branch where the payment is made. Payments received prior to the cutoff time will be credited to your account as of the calendar day we received your payment request.

Important Changes to Your Account Terms

The following is a summary of changes being made to your account terms. These changes will take effect on 10/20/2026, except for the "Change to Prime Rate" which will take effect on 11/01/2026. For more information, please see **"Details About the Changes"** below.

You have the right to reject these changes except for the "Change to Prime Rate" described below. However, if you reject the changes you will no longer be able to use your account for new transactions. You can reject these changes other than the "Change to Prime Rate" by calling us at 1-866-915-9424 (TTY Services Available: Dial 711) by 10/19/2026.

The applicable rows of the Fact Sheet (Pricing Information Table) will be revised as follows:

Revised Terms, as of 10/20/2026	
Penalty APR and When it Applies	Up to 29.99%, based on your creditworthiness. This APR will vary with the market based on the Prime Rate. This APR may be applied to your account if you: (1) Make a late payment or (2) Make a payment that is returned. How Long Will the Penalty APR Apply? If your APRs are increased for either of these reasons, the Penalty APR may apply indefinitely.
Paying Interest	Your due date is at least 23 days after the close of each billing cycle. We will not charge you interest on purchases if you pay your monthly Citi Flex Plan Payment Amount plus your entire balance, excluding any Citi Flex Plan balances, by the due date each month. If you do not pay your monthly Citi Flex Plan Payment plus your entire balance, excluding any Citi Flex Plan balances, by the due date each month, you will pay interest on your purchases from the date they're posted to your account. We will begin charging interest on cash advances and balance transfers on the transaction date. We will begin charging interest on a Citi Flex Plan balance at the start of the billing cycle following the billing cycle during which you created the Citi Flex Plan.
Penalty Fees • Late Payment • Returned Payment	Up to \$41 Up to \$41

The current *Details About Your Interest Rates* section of the Fact Sheet (Facts About Interest and Fees) will be revised as follows:

Details About Your Interest Rates	Periodic Rate as of 10/20/2026	For variable rates: U.S. Prime Rate Plus
Penalty	0.08216% (D)	26.74%
(D) = Daily periodic rate. A daily periodic rate is the APR divided by 365. Variable APRs will not exceed 29.99%.		

Changes are continued on next page.

Change to Minimum Due

We are amending how we calculate the Minimum Payment Due for any minimum payment calculated after 10/20/2026. You may be required to pay more of your Account balance each Billing Cycle. As a result, your Minimum Payment Due may increase.

Change to Prime Rate

The day we use the U.S. Prime Rate for calculating variable APRs is changing. We will use the U.S. Prime rate published in the Wall Street Journal (WSJ) two Business Days before the last day of each Billing Period. If the U.S. Prime rate changes, we'll apply the new variable APR starting from the first day of the Billing Period when we take the U.S. Prime Rate from the WSJ.

Details About the Changes

We are also making the following changes to your Card Agreement.

Section 1 - Definitions

The following definition will be removed:

Excluded Balance - Balances subject to a promotional APR that is less than the applicable standard APR and where the promotional APR does not expire before the payment due date.

Section 3 - Annual Percentage Rates & Interest Charges

The following paragraphs will be revised:

Variable APRs. A variable APR is an APR that can change each Billing Period. We calculate each variable APR first by taking the U.S. Prime Rate from *The Wall Street Journal* (**WSJ**) two Business Days before the last day of each Billing Period. (If the *WSJ* doesn't publish the U.S. Prime Rate that day, then we'll use another publication.) Then we add to the U.S. Prime Rate a certain percentage amount, which we call the **Margin**. You can find the Margin we use for your Account in the Details About Your Interest Rates section of the **Fact Sheet**.

Your variable APRs will increase if the U.S. Prime Rate increases and decrease if the U.S. Prime Rate decreases. If a variable APR increases, then your interest charges and Minimum Payment Due may increase.

If the U.S. Prime Rate changes, we'll apply the new variable APR starting from the first day of the Billing Period when we take the U.S. Prime Rate from the *WSJ*. The new APR will apply to existing balances, as well as balances added to your Account after the change.

The following paragraphs will be added:

Penalty APR

If you have a Late or a Returned Payment, we may apply a penalty APR to your Account. We determine your penalty APR based on your creditworthiness.

Penalty APR for new Transactions (less than 60 days late). If you make a Late Payment and it's less than 60 days late or you have a Returned Payment, the penalty APR only will apply to new Transactions. We'll review your Account from time to time, to determine if any penalty APR should be reduced.

Changes are continued on next page.

SCOTT MORGAN

Penalty APR for existing balances and new Transactions (60 or more days late). If we haven't received your Minimum Payment Due within 60 days after its due date, we may apply the penalty APR to both the existing balances and new Transactions. If you make your next 6 consecutive Minimum Payments Due on time, we'll stop applying the penalty APR to existing balances and new Transactions. If you don't make your next 6 consecutive Minimum Payments Due on time, the penalty APR may continue to apply indefinitely to existing balances and new Transactions.

The following paragraphs will be revised:

Grace Period on Purchases. You won't pay any interest on Purchases if you pay the Adjusted New Balance, including any Balance Transfers, plus any Citi Flex Plan Payment Amount, in full by the payment due date shown on your statement each Billing Period. We call this a **grace period on purchases**. If you don't pay your Adjusted New Balance in full, plus any Citi Flex Plan Payment Amount, by the payment due date in a Billing Period, you'll pay interest on your Purchases from the date they're posted to your Account. You also won't have a grace period on Purchases again until you pay the Adjusted New Balance in full, plus any Citi Flex Plan Payment Amount, by the payment due date 2 Billing Periods in a row.

There's no grace period on Balance Transfers and Cash Advances. This means you'll pay interest on Balance Transfers and Cash Advances from the date these Transactions post to your Account.

Important Information about Citi Flex Plans: We apply any amount you pay over your Minimum Payment Due first to the balance with the highest APR, then to the balance with the next highest APR, and so on, as described in Section 5, Application of Payments. This means that, if the APR for a Citi Flex Plan balance is higher than an APR that applies to another balance on your Account, we will apply the amount you pay above the Minimum Payment Due to that Citi Flex Plan balance prior to that other balance. This will cause you to pay off that Citi Flex Plan balance before the end of its repayment period and may result in an amount remaining due on your next billing statement for the other balance, increasing your Adjusted New Balance on your next billing statement.

You can see your balances and their corresponding APRs on your statement.

Section 4 - Fees & Foreign Currency Conversion

The following paragraphs will be revised:

Late Fee: Up to \$41. We have the right to charge you a late fee if you don't pay at least an amount equal to the Minimum Payment Due minus any Overlimit Amount by the payment due date. The late fee is \$30 and, if you make another Late Payment within the next 6 Billing Periods the late fee will be \$41. The amount of your late fee will never be higher than your Minimum Payment Due.

Returned Payment Fee: Up to \$41. We have the right to charge you a Returned Payment fee of \$30 if your bank doesn't honor your payment. If that happens, we'll resubmit the payment request. If your bank doesn't honor another payment within 6 consecutive Billing Periods, the Returned Payment fee will go up to \$41.

Section 5 - Payments

The following paragraph will be revised:

Changes are continued on next page.

**SCOTT MORGAN**

Minimum Payment Due. You may pay all or a part of your Account balance at any time. You must pay at least the Minimum Payment Due by the payment due date each Billing Period.

Your "**Minimum Payment Due**" equals:

- Any amount past due; plus
- Any Overlimit Amount; plus
- Any Citi Flex Plan Payment Amount; plus
- The greater of:
 1. The Adjusted New Balance, if it's less than \$41;
 2. \$41 if the Adjusted New Balance is at least \$41;
 3. 1% of the Adjusted New Balance (rounded to the nearest dollar), plus any billed interest or minimum interest charge, plus any late fee.

The Minimum Payment Due is never more than the New Balance.

This contains amendments to your Card Agreement. Please keep this information for future reference.
